## **ADDENDUM NO. 1**

### **REQUEST FOR EXPRESSION OF INTEREST**

#### **PAINTING OF THE CENTRAL BANK OF LIBERIA HEADQUARTERS AND ANNEX BUILDINGS – INTERIOR AND EXTERIOR**

**Revised Submission Date: October 9, 2026**

The Central Bank of Liberia (CBL) refers to the **Request for Expression of Interest (REOI)** for the Painting of the Central Bank of Liberia Headquarters and Annex Buildings – Interior and Exterior, previously published by the Bank.

CBL hereby issues this Addendum to clarify and correct certain provisions of the published REOI.

#### **1. CORRECTION TO SECTION 4 – QUALIFICATION AND INFORMATION REQUIREMENTS**

The following requirements previously included under Section 4 of the REOI are hereby **withdrawn and deleted**:

- Detailed Bill of Quantities (BOQ); and
- Cost estimate/quotation covering labor, materials, equipment, transportation, taxes, and other associated costs.

Interested firms are not required to submit pricing information, a BOQ, or a cost estimate as part of their Expression of Interest.

The detailed BOQ and other relevant technical and pricing documents will be developed/finalized and issued at the appropriate subsequent stage of the procurement process to shortlisted firms, as applicable.

#### **2. SITE ASSESSMENT**

The requirement for interested contractors to conduct a site assessment remains applicable. The site assessment is intended to enable interested firms to understand the general nature and magnitude of the proposed works and to assess their capacity and suitability to undertake the assignment.

The site assessment at the Expression of Interest stage does not require firms to prepare or submit a priced BOQ or quotation.

### **3. REVISED QUALIFICATION AND INFORMATION REQUIREMENTS**

Accordingly, Section 4 of the REOI shall now read as follows:

#### **4. QUALIFICATION AND INFORMATION REQUIREMENTS**

Interested contractors must provide information demonstrating that they are qualified and experienced to perform the required works, including:

- Company profile and valid business registration certificate;
- Valid tax clearance certificate;
- Details of relevant experience in similar commercial, institutional, or large-scale painting projects;
- Evidence of similar assignments successfully completed;
- References for at least five (5) clients, including contact details;
- Details of available technical personnel and their relevant experience;
- Availability of required tools, equipment, scaffolding, and other resources;
- Proposed methodology and work plan;
- Proposed completion period; and
- Proposed health, safety, and environmental measures.

#### **4. EXTENSION OF SUBMISSION DEADLINE**

To provide all interested firms with sufficient opportunity to take this clarification into account when preparing their Expressions of Interest, the submission deadline is hereby extended/reopened.

Expressions of Interest must now be submitted by Friday, October 9, 2026, at 1700 hours (GMT).

Firms that have already submitted an Expression of Interest may, where necessary, submit a revised EOI in accordance with this Addendum.

#### **5. OTHER PROVISIONS**

Except as expressly amended by this Addendum, all other provisions, requirements, and conditions contained in the original REOI remain unchanged and in full effect.

This Addendum forms an integral part of the REOI and shall be read together with the original REOI.

Interested firms are advised to take this Addendum into consideration in preparing and submitting their Expressions of Interest.
